SATURDAY-APRIL 23RD 1983 - AT K.G.V. - 7.30PM

HOBART SELECT XI V SOUTH AUSTRALIA

A curtain raiser commencing at 6.00pm will be played - further details next week

K.G.V. DRESSING ROOMS- worthy of mention is the condition of the players dressing rooms at K.G.V. on Wednesday,March 23rd - the Metro manager was the last to leave but only after he had swept the floors, switched off the heaters, turned off the showers and generally left the room tidy and clean - as for the other dressing room - no comment.

COACHING SUPPORT SCHEME FOR JUNIORS - as previously advised this scheme is now in operation and already juniors are making use of the service - remember it is a free of charge scheme so why not contact the T.S.A. office on 231717 for details.

SOCCER '83 NEWS - this publication will continue throughout the 1983 season and will be available every Sunday at the Cadbury League matches played at South Hobart so why not support the Cadbury League and collect your SOCCER '83 NEWS every Sunday.

ROSTERS 1983 - The complete 1983 roster programme gets under way next Saturday and copies of the various rosters are available from the T.S.A. office - the delay in having all the schedules has been caused by the late withdrawal of teams which necessiated in the whole of the schedules having to be re-drawn.
Each week a total of 78 teams will play each week - the Cadbury League & Reserves account for 16 teams, Rothmans Division I 7 teams, Division II - 10, Division III - 8. In the Under age there are 10 Under 13 teams, 8 - Under 14, 10 - Under 15 & 9 - Under 17. Apart from Cadbury League all matches are scheduled (with a few exceptions) to be played on Saturdays so why not follow you favourite Cadbury League team and support them on either a Wednesday night or Sunday afternoon.

Finally the T.S.A. Committee wish all club officials, players and supporters an enjoyable 1983 season.

CLUB NEWS

Once again club news is noticeable by its absence and scarcity- surely some clubs must be having a function or a dance so why keep it a secret - SOCCER '83 NEWS is being prepared each week to assist in general promotion so why not make use of the time and effort that goes into preparing, typing and copying this newesletter?

CROATIA

On Saturday-April 9th a family dance will be held at the Croatia club - admission $6.00 single, $16.00 family. Tickets are available from Committee members or at the Club rooms.

April 10th is Croatia National Day and a function will be held at the clubrooms as per the notices in the club.

Work on the terracing is now almost completed and appreciation goes to the Glenorchy City Council for their help. Further developments are planned which include the culverting of the creek - hopefully by 1984.

REFEREE'S VIEWPOINT

LAW 3 - NUMBER OF PLAYERS - is considered by many players, spectators and Referees to be so easy to understand that very few even consider some of its implications.

In National or International matches not more than two substitutes may be used.
In all other matches, dependant upon the rules of the competition, a maximum number of five substitutes may be used. If no agreement has bee notified to the Referee only two (2) substitutes may be used. In T.S.A. senior competitions two substitutes are allowed. In Under age matches for Under 15 and below three substitutes may be used. A maximum number, dependant on competition rules must be nominated to the Referee at least fifteen minutes prior to commencement of the game.

During the game, when a substitution is required to be made, the nearest linesman to the "team bench" should be notified. He will then notify the Referee by signal, yes there is a signal specifically for this purpose, when the ball is out of play and the Referee may signal for the substitution to take place, subject to the following:-

(a) The substitute may not enter the field of play until the player he is replacing has left and then only on a signal from the Referee.
(b) He shall enter the field during a stoppage in play and at the halfway line.
(c) A player who has been replaced shall not take any further part in the game.
(d) A substitute shall be subject to the authority and jurisdiction of the Referee whether called upon to play or not

If a substitute enters the field of play without the permission of the Referee, play shall be stopped. The substitute shall be cautioned and removed from the field of play or sent off according to the circumstances.
A player who has been "sent off" before play begins may be replaced by a named substitute. The kick-off must not be delayed to allow this substitution to be made.

A player "sent off" after play has started may not be replaced. A named substitute who has been "sent off" at any time may not be replaced.

All persons sent from the field of play are not permitted to take up positions (on the bench) within the jurisdiction of the Referee.

Finally the minimum number of players in a team is left to the discretion of National Associations.
It is generally accepted that a match should not be considered valid if there are fewer than seven players in either of the teams. This is the policy adopted by the T.S.A. for all its competitions.

The foregoing comments relative to Law 3 are just a few examples of the contents of the Law. Any readers having queries regarding any aspects of the La s should direct their enquiries to the T.S.A. office.

CLARENCE SOCCER CLUB

Following long and protracted negotiations the Clarence S.C. have reached agreement with the Eastern Shore Rugby Club for joint use of the North Warrane Oval, situation of the ground being some 400 metres past the drive-in theatre. The ground is in first class condition with changerooms being separate from the licenced bar and lounge.
Visitors to the ground will see a new style set of goals - standard soccer goals will now have rugby uprights thus enabling the ground to be used for both codes.
Best wishes to Clarence for your endeavour and success.
